

Date: 10 May 2026

REF ID : JE/2026/00132

Dear **Shivam khandal** ,

We are pleased to offer you an opportunity to join our organization in the **Machine Learning** domain.

Program Details:

Name: Shivam khandal

Profile: Machine Learning

Start Date: 11 May 2026

End Date: 25 June 2026

Duration: 6 Weeks

During this program, you will be involved in various activities related to Machine Learning, including understanding ML concepts, working with datasets, data preprocessing, model training, model evaluation, and building practical machine learning projects.

You are expected to maintain professionalism, follow organizational guidelines, actively participate in all assigned tasks, and ensure timely completion of the work assigned to you.

This program is designed to enhance your practical knowledge and provide hands-on experience in Machine Learning technologies. Any further opportunity with the organization will be based on your performance and organizational requirements.

Kindly confirm your acceptance of this offer by replying to this email.

We look forward to your contribution and wish you a successful learning experience.

Warm regards,
Bhanu Paliwal
